Employers: Prepare for Spring Hiring Needs Now

The New Year is here and moving quickly. January brought with it eight Orion Hiring Conferences across the country and has resulted in our client companies coming away with high caliber talent to add to their ranks. We are offering six Hiring Conferences in February, followed by another six in March. Register now to attend one of our upcoming Hiring Conferences and interview Junior Military Officers, Noncommissioned Officers, and Enlisted Technicians specifically recruited for your company. Now is the time to gear up for your spring/summer hiring needs. Check out our Winter/Spring conference schedule below:
